

## Town of Clifton Park – Industrial Development Agency

### Accomplishments for 2022:

Our significant activities include:

- No new applications were received in 2022. All projects are progressing at a slower pace due material delays, utility delays, etc.
- The IDA received and approved a request from Solar Foundations to increase their sales tax exemption limit due to a substantial increase in material costs.
- Sales tax exemption extensions were approved for Synergy Tech Park, 8 Roberts Lane, and TriNova.
