

Revised February 2017

TO APPLICANTS

(Project Sponsor)

The Town of Clifton Park Industrial Development Agency was established by special act of the New York State Legislature in 1980.

Industrial Development Agencies were first legally authorized in 1969 when the New York State Legislature added a new Article 18-A to the General Municipal Law to provide for the establishment, by special act of the legislature, of local industrial development agencies as public benefit corporations.

Once established, a local industrial development agency is authorized to issue "taxable" industrial revenue bonds for the purposes of acquiring machinery, equipment, and other facilities deemed necessary or desirable in connection therewith, or incidental thereto, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial or industrial purposes. Projects may also be financed through a "Straight Lease" transaction which may entail a conventional mortgage or other form of private financing.

Industrial Development Agencies offer attractive incentives to industry seeking new locations or expansion of existing facilities. The advantages to a business in financing a project through the Agency are substantial in providing the following:

- The project is exempt from real property taxes during the term of the bond issue and lease agreement. However, each project shall be required to enter into an agreement to pay a negotiated sum in lieu of taxes.
- Project related construction purchases and rentals as well as equipment purchases are exempt from state and local sales tax.
- A mortgage given by the Agency to secure project-related indebtedness is exempt from the state mortgage recording tax.

APPLICATION PROCEDURES

1. Completed application submitted to Agency with a check of \$500 for application fee.
2. Agency subcommittee meeting scheduled for initial project review.
3. A meeting will be scheduled between project applicant and representatives of the Agency to review supporting financial data relating to the applicant and the Project.
4. If the application is deemed appropriate for Agency financial assistance, a public hearing to be held in the Town of Clifton Park is scheduled.
5. At least 10 days prior to the public hearing, notice of the hearing is published in a suitable newspaper and notice is given by mail to the chief executive officer of each affected taxing jurisdiction.
6. Following the close of the public hearing, the Agency will consider adoption of an inducement resolution which (1) grants preliminary authorization for the extension by the Agency of financial assistance for a project, (2) describes the financial assistance to be rendered, and (3) sets forth the conditions for final approval including, but not limited to, compliance by the Agency with the provisions of the new York State Environmental Quality Review Act.
7. Following drafting of the necessary financing documents and prior to the issuance of bonds or closing on conventional financing, the Agency will meet to adopt a bond resolution or financing resolution.
8. An administration fee will be due the Agency at closing.

It is the responsibility of the applicant to arrange for financing with respect to a given Agency project. Taxable bonds issued by the Agency are non-recourse to the Agency and the Town of Clifton Park and thus the credit-worthiness of a project is a factor solely of the applicant and the project itself.

The providing of financial assistance by the Agency triggers certain filing and/or reporting requirements with respect to employment and tax benefits received.

REQUIRED SUBMISSIONS

2. Non-refundable application fee in the amount of Two Hundred and Fifty Dollars (\$500.00) payable to: TOWN OF CLIFTON PARK INDUSTRIAL DEVELOPMENT AGENCY.
